## ABOUT THE PRESENTER

Athirai Baskaran is a certified Montessori educator with over a 30 years of experience in early childhood education. She has guided classrooms, trained assistants, and mentored aspiring Montessori teachers in diverse educational settings. Her passion lies in empowering educators to bring authenticity, calm, and purpose into their Montessori environments.

## WHAT YOU WILL LEARN

- Gain a foundational understanding of Dr. Maria Montessori's philosophy and how it informs classroom culture, discipline, and learning
- Learn how to maintain a prepared environment—including the organization, rotation, and care of Montessori materials
- Develop keen observation skills to assess children's needs and behaviors without interference
- Understand how to support freedom within limits while ensuring safety, structure, and respectful redirection
- Practice appropriate language and tone aligned with Montessori communication principles
- Learn the importance of grace and courtesy lessons and how to model them consistently & much more.
